LHOA members agree to abide by the following rules:

) Homeowners and valid card holders agree to follow all pool rules as set forth by the Association and are enforced by the Association Board and its assigns, including lifeguards under the direction of the Association.

) One access card will be issued for each residence, whose homeowner is in good standing. Access to pool and other Association amenities is only available to members in good standing. Members who fail to maintain good standing will result in their access card being disabled. Disabled cards must be immediately returned to the Association to a current board member or to the mailbox at the curb in front of the LHOA clubhouse.

) Pool access is granted to LHOA members, direct family members (parents, children, grandparents, siblings, and grandchildren) residing in the homeowner's home and guest of homeowners when accompanied by the homeowner.

) Pool access will be reset each calendar year, subject to the member remaining in good standing.

) Pool access is granted only during operational days and hours as set forth by the Association.

) It is incumbent upon the homeowner to maintain control of the pool access card and to prevent loss or damage. Lost, stolen, damaged cards will be disabled. One replacement card may be issued to homeowner of the lost card at a cost of \$25.00. Subsequent lost, stolen, damaged replacement cards will be disabled, and a new replacement card may be reissued at a cost of \$50.00

) These rules may be changed at any time by the Association as conditions warrant.

) Failure to follow these and other pool rules will result in immediate suspension of pool access and forfeiture of access card.
